

EHA Newsletter

Reminder: Quiet time is **7:00PM-7:00AM** in ALL developments!!

Check out our new website: www.elbertonha.org

You can now register as a tenant and have access to your account. You can update your contact information, check balance of your account and make a payment online.

Porches should be well organized and neat. Only outdoor furniture is allowed on the porch. Please keep yards free of trash and toys. This includes any bags of aluminum cans. They need to be taken off immediately. We are having trouble with kids throwing trash in yards and it's causing a lot of mess. Please talk with your kids about this to help keep our areas cleaner.

Store toys and your trash container in the back yard. Unkempt yards and porches can result in a \$15.00 trash fine. We check for trash in yards on Monday mornings. Please make sure your yard is clean and neat.

We are having trouble with people throwing food scraps and grease outside of the apartment and in other people's trash cans. This is causing a problem with bugs and rats. Please put in either bags or containers and **put in your own trashcan**. If this continues, you will be fined!!
