

# EHA Newsletter

Reminder: Quiet time is **7:00PM-7:00AM** in ALL developments!!

Check out our new website: [www.elbertonha.org](http://www.elbertonha.org)

You can now register as a tenant and have access to your account. You can update your contact information, check balance of your account and make a payment online.

Porches should be well organized and neat. Only outdoor furniture is allowed on the porch.

Please keep yards free of trash and toys. This includes any bags of aluminum cans. They need to be taken off immediately. We are having trouble with kids throwing trash in yards and it's causing a lot of mess. Please talk with your kids about this to help keep our areas cleaner. **Store toys and your trash container in the back yard.** Unkempt yards and porches can result in a \$15.00 trash fine. We check for trash in yards on Monday mornings.

Please make sure your yard is clean and neat.

## New Parking Permits

Each tenant is assigned a parking bay. You **MUST** have a parking permit to park in the bay or your car will be towed. To get a parking permit, please bring your car registration to the office to receive a permit. We have told the Elberton Police that if a car does not have a permit in our parking spots, then they are free to tow them. They will begin checking permits more closely beginning May 15, 2022.
